

# Fiscal Year 2007/2008 Budget Highlights and Goals

## CORONER

### **FY2007 Highlights**

- Our staff has completed the first phase of certification by the National Incident Management Service. This certification will make us better prepared in the event of an emergency.
- Members of my staff and I went into the high schools and spoke to the health classes and did prom re-enactments to show the dangers of drinking and driving or using drugs. I have also given several lectures for Government and Law classes, to better acquaint them with the workings of County Government.
- I have also done several case presentations along with Undersheriff Gene Lowery at the Woodstock Public Library to show the public what is actually involved in working a homicide case.

### **FY2008 Goals**

- Finish the second phase of the National Incident Management Service testing.
- To continue to meet the needs of the public to the best of our ability.
