PHONE: 815-334-0309

McHenry County Water Resource Manager Cassandra McKinney and the Sheriff's Department is currently in the process of establishing a medical waste disposal program for the County. Once the program up and running, the medical waste disposal program is a place where you can bring your unused or expired medications or prescriptions, so that it can be disposed of in a safe and environmentally friendly way. Anyone is able to turn in unused or expired medications, no question asked. Currently in McHenry County, the Johnsburg and the Fox River Grove Police Departments have a medication disposal program. The programs currently work with the Illinois Environmental Protection Agency (IEPA), who supplies the programs with the collection bins and disposal of unused and expired non-controlled pharmaceuticals.
