

Public Hearing
Scheduled by
McHenry County Division of Transportation
For Improvement of Alden Road

The McHenry County Division of Transportation will hold a Public Hearing concerning the proposed improvement of Alden Road from Charles Road to State Line Road. The public hearing will be held at the McHenry County Administration Building, Conference Room A, 667 Ware Road, Woodstock, IL 60098 on Tuesday, January 25, 2011 from 4 to 7 pm. All persons interested in this project are invited to attend this meeting. Persons with a disability planning to attend this meeting should contact the individual listed below by January 18, 2011. If special accommodations are required, the contact person should be informed at the time of contact. The meeting room is accessible to persons with a disability.

The hearing will be conducted on a semi-formal basis. A brief power point presentation regarding the proposed improvement will run several times throughout the evening. Following the presentation, representatives of McHenry County Division of Transportation and consultant representatives will be available discuss the project. Representatives will answer individual questions and record comments offered by those in attendance. Verbatim comments will be recorded. The hearing will address topics such as the need for the project, the design under consideration and right-of-way acquisition. Preliminary reports, including an engineering analysis with drawings, maps, and aerial photography, will be available for inspection and viewing during the entire time.

For anyone who is unable to attend the Public Hearing, the power point presentation, hearing exhibits, and staff to answer questions will be made available at the McDOT offices located at 16111 Nelson Road from 9 am to 12 pm, Thursday, January 27, 2011. The power point presentation and exhibits will also be available on the Project Website at www.AldenRoad.info
