

# River Road/Dowell Road Improvement Public Information Meeting

Dear Resident:

The McHenry County Division of Transportation (MCDOT) cordially invites you to attend a public information meeting regarding the MCDOT's upcoming improvement project at the intersection of River and Dowell Roads. Recently the MCDOT has initiated preliminary engineering work to begin the process of redesigning the intersection for safety improvements. While it is still too early in the design process for proposed alternatives to be presented, the MCDOT would like to take the opportunity to explain the design process and identify the project limits. Then there will be an opportunity for a question and answer period where MCDOT and design staff will be available to answer any questions residents may have. Residents will also be able to submit comments/concerns they have regarding the intersection.

**Meeting Date:** Monday, November 14, 2011

**Meeting Time:** 7:00 PM

**Meeting Location:** Island Lake Village Hall  
3720 Greenleaf Ave.  
Island Lake, Illinois

*Can't attend or have questions in advance of the meeting???*

Call Design Manager Wally Dittrich at (815) 334-4980 or e-mail at [wrdittrich@co.mchenry.il.us](mailto:wrdittrich@co.mchenry.il.us)

Meeting materials will be made available on the MCDOT's website after the meeting. Go to [www.McHenryCountyDOT.org](http://www.McHenryCountyDOT.org) and click on Improvement Projects for additional information.

This meeting is open to anyone. If you know of anyone else who may be interested in this project, please feel free to pass along the information.
