April walk-in clinics for free H1N1 vaccine

Woodstock IL – It's not too late to get the H1N1 vaccine. McHenry County Department of Health (MCDH) will offer walk-in H1N1 clinics in April at its Woodstock (2200 N. Seminary Avenue) and Crystal Lake (100 N. Virginia Street) offices. No appointment is necessary. The vaccine is free; clinics are open to ALL county residents that are eligible.

- Annex A – *Daily, Monday-Friday (8am-4:30pm)*
Individuals 9 years of age and older; injection vaccine only
- Annex B – Infants must be 6 months of age; injection vaccine only

Wednesday April 7	8am-noon
Wednesday April 14	8am-noon
Wednesday April 21	8am-noon
Wednesday April 28	1pm-4pm
- Crystal Lake – *Daily, Monday-Friday (9am-4:30pm)*
Individuals 9 years of age and older; injection vaccine only

Reports indicate the H1N1 virus continues to circulate and has caused serious infection, especially to those with underlying medical conditions. The vaccine not only protects you but it helps protect the people around you. If you get the flu, you can pass it to others including babies, pregnant women, and people with chronic health conditions who are more likely to suffer serious complications.

Following the 3 C's will also keep you healthy so remember to **cover** a cough with tissue or sleeve, **clean** hands with warm soap and water, and **contain the virus** by staying home when ill. Get answers to your flu questions at www.mcdh.info or 815-334-4510.
