**MC Ride Title VI Program**

**Introduction**

Title VI of the Civil Rights Act of 1964 provides that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

The MC Ride Dial-A-Ride program, receiving such federal funds, shall abide by, and is committed to ensuring that no person is excluded from participation in or denied benefits of, its transportation services on the basis of race, color or national origin. The Regional Transportation Authority (RTA) requires that the McHenry County Division of Transportation (MCDOT), administrator of the MC Ride program and sub-recipient of Federal transportation funding, submit to RTA an updated Title VI Program in accordance with Federal law and regulations.

MCDOT promotes responsible public policy, ethical and high quality services and is dedicated to providing enhanced mobility while promoting a safe and efficient transportation system. MCDOT serves as the administrator of the MC Ride program and is not involved in the day-to-day operations, which are provided or contracted by Pace Suburban Bus.
