The Employee shall be informed of his contract rights to Council representation and shall be entitled to such, if so requested by the Employee, the Employee and Council representative shall be given the opportunity to rebut or clarify the reasons for such discipline and further provided that a Council representative shall be available within - twenty-four (24)- hours of notification. If the Employee desires such Council representation, no interview shall take place without the presence of a Council representative. If a Council representative of the Employee's choice is not available at the time of the request or a reasonable time thereafter, not to exceed eight hours, the Council representative present may be used by the Employee. This does not preclude both parties from mutually agreeing to an extension of time.

Section 14.5. Internal Investigations

The Employer shall give Employees notice of the status of internal investigations when completed and the disposition thereof within fourteen (14) days of the disposition. If an internal investigation is not sustained within fourteen (14) days of the determination of not sustained, the Employer shall notify the officer in writing that the investigation was not sustained.

The Employer or his designated representative must certify their reasonable suspicions concerning the affected officer prior to any order to submit to the testing authorized herein. There shall be no random or unit-wide testing of officers, except random testing of an individual officer as authorized in Paragraph 8 below and random testing of an Employee who is voluntarily assigned to a Departmental Drug Enforcement Group for at least thirty (30) days and such officer's duties are primarily related to drug enforcement. The foregoing shall not limit the right of the Employer to conduct such tests as it may deem appropriate for persons seeking employment as correctional officers prior to their date of hire.

An employee may also be ordered to submit to drug and alcohol testing whenever that employee discharges a firearm and such action may have caused injury or death to a person or persons. The employee shall submit to the test as soon as practical, but no later than the end of the shift. All time spent in the testing process shall be compensable under this Agreement.

Section 15.4. Order to Submit to Testing

Within eight (8) hours after the time an officer is ordered to submit to testing authorized by this Agreement, the Employer shall provide the officer with a written notice of the order, setting forth all of the objective facts and reasonable-inference drawn from those facts which have formed the basis of the order to test. Refusal to submit to such testing may subject the Employee to discipline, but the officer's taking of the test shall not be construed as a waiver of any objection or right that he may have. The Employee must take the test within sixty (60) minutes for alcohol and four (4) hours for drugs of being ordered to do so or it shall be deemed a refusal.

Section 15.5. Test To Be Conducted

In conducting the testing authorized by this Agreement, the Employer shall:

- a) Use only a clinical laboratory or hospital facility that is mutually agreed upon by the Employer and the Union.
- b) Establish a chain of custody procedure for both sample collection and testing that will ensure the integrity of the identity of each sample and test result;
- c) Collect a sufficient sample of the same body fluid or materials from an officer to allow for

initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing if requested by the officer;

- d) Collect samples in such a manner as to ensure a high degree of security for the sample and its freedom from adulteration. Collection shall only be done by properly licensed organizations or individuals who are not Employees of the County of McHenry, and shall be conducted off- site. Breathalyzer testing shall be conducted so as not to embarrass the Employee.
- e) Confirm any sample that tests positive in the initial screening for drugs by testing the second portion of the same sample by gas chromatography mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites; Provide the officer tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the officer's own choosing, at the officer's own expense provided the officer notifies the Employer within seventy-two (72) hours of receiving the results of the tests;
- f) Require that the laboratory or hospital facility report to the Employer that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Employer inconsistent with the understandings expressed herein, the Employer will not use such information in any manner or form adverse to the officer's interests;
- g) Require that with regard to alcohol testing, for the purpose of determining whether the officer is under the influence of alcohol test results that show an alcohol concentration of .041 or more based upon the grams of alcohol per 100 milliliters of blood shall be considered positive and conclusive evidence that the Employee is under the influence. If a test is greater than 0.0 but less than .04 the officer shall be conclusively presumed not to be under the influence of alcohol. Alcohol testing shall only be conducted through the use of a breathalyzer.
- h) Provide each officer tested with a copy of all information and reports received by the Employer in connection with the testing and the results;
- i) Ensure that no officer is the subject of any adverse employment action except temporary reassignment or relief from duty during the pendency of any testing procedure.
- j) Notify the Employee of positive test results only after such results have been reviewed and certified as positive by a qualified medical review officer who has offered to discuss the results with the Employee.

Section 15.6. Right To Contest

The Council and/or the officer with or without the Council shall have the right to file a grievance concerning any testing permitted by this Agreement contesting the basis for the order to submit to the tests, the right to test, the administration of the tests, the significance and accuracy of the tests, the consequences of the testing or results or any other alleged violation of this Agreement. Such

grievances shall be commenced at Step 2 of the grievance procedure. It is agreed that the parties in no way intend to restrict, diminish, or otherwise impair any legal rights that officers may have with regard to such testing. Officers retain any such rights as may exist and may pursue the same at their own discretion, with or without the assistance of the Council.

Section 15.7. Voluntary Requests For Assistance

The Employer shall take no adverse employment action against an officer who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, (provided that the officer is not under investigation for a drug related issue at the time of the request for treatment. A signed note, or notes, shall be provided to verify a timeline, as well as the reasonable suspicion that commenced said investigation), other than the Employer may require reassignment or temporary suspension of the officer if he is then unfit for duty in his current assignment. All such requests shall be confidential and any information received by the Employer, through whatever means, shall not be used in any manner adverse to the officer's interest, except reassignment as described above.

Section 15.8. Discipline

All officers who voluntarily seek assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary action or other adverse employment action by the Employer. In the first instance that an officer tests positive on both the initial and the confirmatory test for drugs or is found to be under the influence of alcohol, that officer shall be subject to discipline short of termination, although additional discipline may be administered for other reasons. The foregoing is conditioned upon:

- a) The officer agreeing to appropriate treatment as determined by the physicians involved;
- b) The officer discontinues his use of illegal drugs, cannabis/THC or abuse of alcohol;
- c) The officer completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve (12) months;
- d) The officer agrees to submit to random testing during hours of work during the period of "after-care".
- e) The officer is not under investigation for a drug related issue at the time of the request for treatment. A signed note, or notes, shall be provided to verify a timeline, as well as the reasonable suspicion that commenced said investigation),

Officers who do not agree to, or who do not act in accordance with the foregoing, or who test positive for a second or subsequent time for the presence of illegal drugs, cannabis/THC or alcohol during the hours of work shall be subject to discipline up to and including discharge.

The foregoing shall not be construed as an obligation on the part of the Employer to retain an officer on active status throughout the period of rehabilitation if it is appropriately determined that the officer's current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such officers shall be afforded the opportunity to use accumulated

paid leave or take an unpaid leave of absence, at the officer's option, pending treatment. The foregoing shall not limit the Employer's right to discipline officers for misconduct provided such discipline shall not be increased or imposed due to alcohol or drug abuse.

ARTICLE XVI - GRIEVANCE PROCEDURE

Section 16.1. Definition of a Grievance

A grievance is defined as any unresolved difference between the Employer and the Council or any Employee regarding the application, meaning or interpretation of this Agreement. This grievance procedure is subject to and shall not conflict with any provisions of the Illinois Public Labor Relations Act.

Section 16.2. Representation

Grievances may be processed by the Council on behalf of an Employee or on behalf of a group of Employees. The Employer may file contract grievances directly at Step 3, Section 8 of this Article. Either party may have the grievant, or one grievant representing group grievants, present at any step of the grievance procedure, and the Employee is entitled to Council representation at each and every step of the grievance procedure upon his request.

Grievances may be filed on behalf of two or more Employees only if the same facts, issues and requested remedy apply to all Employees in the group.

Section 16.3. Subject Matter

Only one subject matter shall be covered in any one grievance. A grievance shall contain a statement of the grievant's position, the Article and Section of the Agreement allegedly violated, the date of the alleged violation, the relief sought, the signature of the grieving Employee(s), and the date.

Section 16.4. Time Limitations

Grievances may be withdrawn at any step of the grievance procedure without precedent. Grievances not appealed within the designated time limits will be treated as withdrawn grievances.

The Employer's failure to respond within the time limits shall not find in favor of the grievant, but shall automatically advance the grievance to the next step, except Step 3. Time limits may be extended by mutual agreement.

Section 16.5. Grievance Processing

No Employee or Council representative shall leave his work assignment to investigate, file or process grievances without first securing permission of his supervisor. In the event of a grievance, the Employee shall always perform his assigned work task and grieve his complaint later, unless the Employee reasonably believes that the assignment endangers his safety.

Section 16.6. Grievance Meetings

A maximum of two (2) Employees (the grievant and/or Council representative) per work shift shall be excused from work with pay to participate in a Step 1, Step 2, or Step 3 grievance meeting. The

Employee(s) shall only be excused for the amount of time reasonably required to present the grievance. The Employee(s) shall not be paid for any time during which a grievance meeting occurs outside of the Employee's work shift.

Section 16.7. Steps in Procedure

Grievances arising under this Agreement shall be resolved as follows:

Step 1. The Council, or individual grievant, shall prepare a written grievance on a form mutually agreed to between the Employer and the Council and presented to the Sheriff's designee, no later than ten (10) calendar days after the Employee was notified of the decision by the Sheriff's designee. Within ten (10) calendar days after the grievance has been submitted, the Sheriff's designee shall meet with the grievant and the Council representative to discuss the grievance and make a good faith attempt to resolve the grievance. The Sheriff's designee shall respond in writing to the grievant and the Council representative within ten (10) calendar days following the meeting.

Step 2. If the grievance is not settled at Step 1, the grievance may be referred in writing by the Council within ten (10) calendar days after the decision of the Sheriff's designee to the Sheriff himself. Within ten (10) calendar days after the grievance has been filed with the Sheriff, the Sheriff shall meet with the Council representative and the grievant to discuss the grievance and make a good faith effort to resolve the grievance. The Sheriff shall respond in writing to the grievant and the Council within ten (10) calendar days following that meeting.

Step 3. Only in the case of grievances involving the shared responsibilities of the Employer or the interpretation of contract language or grievances, the settlement of which would involve monies beyond the budgeted funds of the Sheriff and if the grievance is not settled at Step 2, the Council, within ten (10) calendar days after the Sheriff's written decision at Step 2, may refer the grievance in writing to the Sheriff and the designee(s) of the Chairman of the County Board. Within ten (10) calendar days after such referral, the grievant, the Council representative, the Sheriff and the designee(s) of the Chairman of the County Board shall meet and make a good faith effort to resolve the grievance. The Sheriff and the designee(s) of the Chairman of the County Board shall respond in writing to the grievant and the Council within ten (10) calendar days following that meeting. The Sheriff shall have one vote and the designee(s) of the Chairman of the County Board shall collectively have one vote in resolving such grievances.

Step 4. If the dispute is not settled at Step 2 or Step 3, the matter may be submitted to arbitration by the Council, the County or the Sheriff within fifteen (15) calendar days after the Step 2 or Step 3 written decision or after the expiration of the ten (10) calendar day period that such written decision was due. Within fifteen (15) calendar days after the matter has been submitted to arbitration a representative of the Sheriff, County and the Council shall meet to select an arbitrator from a list of mutually agreed to arbitrators. If the parties are unable to agree on an arbitrator within fifteen (15) calendar days after such meeting, the parties shall request the Federal Mediation and Conciliation Service to submit a panel of seven arbitrators. Either party shall have the right to reject an entire list of arbitrators. The arbitrator shall be selected from the final list by alternate strikes by the co-employer representatives and the Council. The party requesting arbitration shall take the first strike. The person whose name remains on the final list shall be the arbitrator. The arbitrator shall be notified of his selection by a joint letter from the co-employers and the Council. Such letter shall request the arbitrator to set a time and place for the hearing subject to the

availability of the co-employers and Council representatives and shall be notified of the issue where mutually agreed by the parties. All hearings shall be held in the City of Woodstock, Illinois, unless otherwise agreed to.

Both parties agree to make a good faith attempt to arrive at a joint statement of facts and issues to be submitted to the arbitrator.

The Employer or Council shall have the right to request the arbitrator to require the presence of witnesses and or documents. Each party shall bear the expense of its witnesses.

Once a determination is made that the matter is arbitral or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute.

The expenses and fees of arbitration and the cost of the hearing room shall be shared equally by the Employer and Council. Costs of arbitration shall include the arbitrator's fees, room costs and transcription costs. The decision and award of the arbitrator shall be made within forty-five (45) days following the hearing and shall be final and binding on the Employer, the Council and the Employee or Employees involved. The arbitrator shall have no power to amend, modify, nullify, ignore, add to or subtract from the provisions of the Agreement.

Section 16.8. Advanced Grievance Step Filing

Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps, may be filed at the appropriate advance step where the action giving rise to the grievance was initiated.

Mutual agreement shall take place between the appropriate Council representative and the appropriate Employer representative at the step where it is desired to initiate the grievance.

Section 16.9. Pertinent Witnesses and Information

Either the Council or Employer may request the production of specific documents, books, papers, or witnesses reasonably available from the Council or the Employer and substantially pertinent to the grievance under consideration. Such request shall not be unreasonably denied, and if granted shall be in conformance with applicable laws and rules issued pursuant thereto governing the dissemination of such materials.
