

Fiscal Year 2009/2010 Budget Highlights and Goals

County Clerk

FY2009 Highlights

- The tax redemption software program has been automated, with the exception of the issuance of checks to the tax buyers
- The clerk's office is in the process of scanning and indexing County Board Records
- Marriage records have been scanned and indexed back through 1974
- Compiled the 2009/2010 County Yearbook

FY2010 Goals

- To place the scanned County Board Records on our website, so that they are available to the public
- To complete the automation of the tax redemption system, with the issuance of checks to tax buyers
- To continue to serve the taxpayers of McHenry County in the most efficient manner, being ever mindful of budget constraints
