

## Fiscal Year 2012/2013 Budget Program Description

### Workforce Investment Board

**Department Mission Statement:**

To develop an employment and training system that enhances the productivity of its workers, attracts new business to the state and county, aids the growth of incumbent businesses, and provides new opportunities to unemployed and underemployed individuals to obtain skills and jobs.

Program Description (By OCA Code)	Customers Served	Mandated Service	Funding Source
<b>OCA: 270002 Workforce Investment Board</b> [The Workforce Investment Board (WIB) is comprised of individuals representing the public and private sectors in McHenry County. The individuals must hold positions that represent management and have decision making responsibilities. ≤51% of the board must be from the private sector. Other groups represented on the WIB are the building trades, economic development, education, community based organizations, and the disabled. Although McHenry County Board Chairman is not on the WIB, he does have to sign off on all WIB grants].
