WILLING TO HELP OTHERS?

Join us! The McHenry County Department of Health is looking for volunteers to be a part of the local Medical Reserve Corps (MRC). Volunteers will be trained to enhance local preparedness.

Both medical and non-medical volunteers are needed to support the healthcare community in a disaster. Rapid deployment of qualified individuals can make a difference during public health emergencies.

SERVICE CAPACITY

You may be called upon to volunteer in a number of situations:

- Surveillance and Notification
- Case Diagnosis
- Medical Treatment
- Education
- Vaccination
- Medication Dispensing
- Clerical Services
- Traffic Control
- Phone Bank
- Disaster Support Services
- Non-emergency Health Department Community Functions (i.e. health fairs and annual flu clinics)

HOW TO JOIN

Take action today! Call the McHenry County Department of Health, 815.334.4510 or visit our website: www.mcdhprepare.info

TRAINING

Each volunteer must complete the Basic Training module offered through the McHenry County Department of Health. Volunteers will be notified of additional training and service opportunities throughout the year.

MCHENRY COUNTY MEDICAL RESERVE CORPS – NEEDS YOU!

With the population of McHenry County over 300,000, volunteers are needed to support Health Department services and First Responders in emergencies.

You can make the difference!
