

Vehicle Emergency Kit Checklist

Below are suggestions for items to include in your vehicle's emergency kit. Additionally, you may also consider having a vehicle repair kit with flares, jumper cables, tire repair kit, rope, fire extinguisher, shovel, and basic auto repair supplies.

- Flashlight, light sticks or emergency candle with matches
- Water (bottles/pouches, check expiration dates)
- Food (non-perishable, high-energy)
- First-aid kit
- A blanket, warm socks, hats and gloves
- Brightly colored bandana or emergency flag
- Telephone card and quarters
- Poncho
- Pencil and paper
- Compass/maps
