Mr. Osborn provided an update on the McHenry County Transit Plan. The draft Existing Conditions Report was completed and electronically sent to ITF members. Andrew Celentano asked why the number of people boarding was asymmetrical. Jason Osborn explained that as a result of low frequency of bus services on the fixed routes most trips were likely going to be one way trips.

The meeting concluded at 3:25 with a reminder of the next meeting scheduled for Wednesday, May 23, 2012 at 2:00 p.m. at the usual meeting site of the McHenry County Administration Building in Woodstock.
