Regional Superintendent's Message

As Superintendent of the McHenry County Regional Office of Education, McHenry County, Illinois, I hereby submit an annual report detailing the activities of the office from July 1, 2004 through June 30, 2005.

This report is a general overview not inclusive of the many services that the office provides for the benefit of the schools and citizens of McHenry County. We have used the end of year reports from our programs and departments and information from our audits conducted by the Auditor General to make this Annual Report as comprehensive as possible. We hope that it will provide you with a better understanding of the tasks our office undertakes to fulfill our mission of meeting the needs of our children and the schools that serve them.

I wish to publicly express my appreciation to the members of the McHenry County Board, The Regional School Board of Trustees, the educators and citizens of McHenry County for their continued and meaningful support of the Regional Office of Education. The students of McHenry County are sincerely fortunate to have so many dedicated individuals working on their behalf. I invite you to visit our website to learn more about the Regional Office.

Respectfully submitted,

Eugene T. Goeglein
Regional Superintendent of Schools

Truancy Summary

The Regional Office of Education continued to work with each local school district to pursue the county attendance initiative.

During the past year, the Regional Office received **162** referrals while continuing **60** cases from the previous year.

Facilities Program

The Regional Office of Education oversaw and supervised all major school construction and renovation projects in the County. Services delivered included, plan review in conjunction with Planning and Development, permitting, construction inspections and acting as a liaison between local districts and government authorities. One Comprehensive High School came on-line this fiscal year.

Professional Development

The Regional Office of Education continues to play a key role in the professional development of McHenry County educators. Through the Kishwaukee Intermediate Delivery System (K.I.D.S.), the McHenry County Regional Office, in cooperation with the Dekalb and Boone/Winnebago Regional Offices provides staff development opportunities for all of the certified educators of McHenry County. This past year, almost **600** educators received professional development from K.I.D.S.
