Re: Request for Waiver of Raffle Manager's Fidelity Bond

Dear McHenry County Law & Government/Liquor Committee:

Our organization has applied for a McHenry County Raffle License by submitting a complete Application with all of the required documentation. Please consider this letter a formal request for a waiver of the raffle manager fidelity bond requirement found in Article XI of the McHenry County Raffle Ordinance.

Pursuant to Article XI, the total prize value for the raffle applied for will not exceed \$20,000. Our organization understands that the raffle manager's fidelity bond requirement found in the McHenry County Raffle Ordinance is for the purposes of protecting raffle organizers from theft or fraud committed by a raffle manager, and that at no time, regardless of the Law & Government/Liquor Committee's approval of this waiver request, will McHenry County be liable for any damages sustained by an organization conducting a raffle. Additionally, we acknowledge that the raffle license, if issued, covered by this waiver request will contain a notation indicating that the raffle manager's bond has been waived.

*Additional signature lines may be added to accommodate boards with more than eight members. Please note that all board members must sign this letter to fulfill the requirements of the waiver request procedure.

* In lieu of having each member sign this letter, a board resolution may be submitted with this letter. The resolution must show a unanimous vote of the membership and the President and Secretary must affix their signature to this letter attesting to the veracity of the resolution.

The signatures affixed to this letter attest that the request for waiver of the manager's fidelity bond has been approved by a unanimous vote of our board.

President

Secretary
