PROGRAM OVERVIEW

This presentation will focus on the trends of adolescent substance use, providing information about the pressures adolescents face as well as developmental concerns. National trends, the pattern of addiction, as well as commonly used substances will be discussed.

PROGRAM OBJECTIVES

At the end of the presentation the participant will have an increased:

1. Understanding of the common pressures of adolescence,
2. Knowledge of adolescent development,
3. Information about national trends,
4. Knowledge about common drugs of abuse,
5. Awareness of the progression of addiction.

PRESENTER

Chris Gleason has worked in the Addiction field since 1995, working in DUI, outpatient, and inpatient mental health and substance abuse programs. He has also presented on many different topics both locally and nationally including Co-Occurring Treatment for Adolescents and Opiate/Heroin Addiction in both the Adult and Adolescent population. Currently he is the Director of Rosecrance McHenry County which provides outpatient counseling for both substance abuse and mental health. Chris is also an adjunct professor at Aurora University and is the Chairperson for the McHenry County Substance Abuse Coalition.

TARGET AUDIENCE

Clinicians, counselors, social workers and case managers, peer specialists, mental health professionals, school social workers and counselors, and other helping professionals.
