

**Fiscal Year 2010/2011 Budget  
Highlights and Goals**

**COUNTY CLERK**

**FY2010 Highlights**

- The clerk's office is scanning and indexing all County Board Records. We are projecting to have scanned, indexed and posted to the Clerk's website through the year 1985 by the end of FY 2010
- Marriage records are now scanned and indexed back through 1930
- A plan has been developed and implemented to begin the codification of all County Ordinances and Resolutions

**FY2011 Goals**

- Codify the County Board Ordinances and Resolutions
- To place the scanned County Board Records on our website, so that they are available to the public. Our goal is to complete through 1965 by the end of FY 2011
- Complete the automation of the tax redemption system, with the issuance of checks to tax buyers
- Serve the taxpayers of McHenry County in the most efficient manner, being ever mindful of budget constraints
