The certified payroll records must include for every worker employed on the public works project the name, address, telephone number, social security number, job classification, hourly wages paid in each pay period, number of hours worked each day, and starting and ending time of work each day. These certified payroll records are considered public records and public bodies must make these records available to the public under the Freedom of Information Act, with the exception of the employee's address, telephone number and social security number. For violations that occur after January 1, 2006, the debarment period --during which contractors are ineligible for public works contracts -increases from 2 years to 4 years if two notices of violation are issued/serious violations occur within a 5-year period. In addition, a new monetary penalty of \$5,000 may be assessed against contractors who retaliate against employees who report violations or file complaints under the Prevailing Wage Act.

Woven Wool Blanket, 70% Wool Content

Loom Woven Wool Blankets stand up to your toughest customers

- Flame-resistant
- Machine washable
- 70% wool/30% synthetic content blend
- Color choice: Gray or Navy Blue
- 12 each per master carton

These economical blankets are a "must have" for all seasons. Our loom woven wool blankets are tough enough to stand up to rigorous institutional use, but are soft and comfortable. The whip stitched ends limit pulls and keep blankets looking like new. The synthetic content adds strength and durability, and does not affect flame retardance. Laundry instructions are sewn onto each blanket. Machine washable and dryable.

These fabrics meet the standards set forth in the State of California Home Furnishings Act, Bulletin 117 Section E, using apparatus and method outlined in Title 16 C.F.R. Sec. 1610 "Standard for the Flammability of Clothing Textiles." These blankets also meet the requirements of ASTM D 4151-92 Standard Method for Flammability of Blankets.

Thermal Blankets, Snag-Free - By the Each

Closed weave discourages dismantling by inmates and also minimizes snagging in the laundry. These blankets can be autoclaved.

- 100% cotton
- Weight: 2.5 lbs
