PROGRAM OVERVIEW

The program will begin with a discussion on how Medicare works with other coverage, including Medicaid. It will provide details on Medicaid programs available to eligible Illinois residents. This course will also explain the Health Insurance Marketplace, including the application process, eligibility for subsidies, plan selection and tax implications.

LEARNING OBJECTIVES

- Clarify impact of Affordable Care Act on medical benefit programs
- Identify eligibility requirements and application process for medical benefit programs.
- Describe various parts of Medicare and enrollment periods, including original Medicare (Parts A & B), Medicare Advantage (Part C), and Prescription Coverage (Part D)
- Examine how tax filing status impacts income eligibility for Medicaid and the Marketplace

CEUs – Five and one-half (5.5) CEUs for professional counselors/clinical counselors and social workers
