IAODAPCA CEUs pending.

## Psychiatric Medication Overview

Presented by  
**Elizabeth K. McMasters, M.D.**

This workshop will provide a good overview of existing medications, what they are for and the pros/cons of each.

There will also be a strong emphasis on new medications that have been currently released.

Dr. Elizabeth McMasters is a clinical psychiatrist, who has practiced community behavioral health care for 19 years. Her greatest skill has been developing collaborative relationships with agencies, clinicians, and patients, providing the framework around which best treatment outcomes are built.

Dr. McMasters utilizes strong psychotherapy training to inform best practices. She has a broad scope of experience that includes inpatient care, partial hospitalization directorship, adolescent corrections consultation, health center integrated-care practice, and community mental health center directorship.

Dr. McMasters is board certified with the American Board of Neurology and Psychiatry, and the American Society of Adolescent Psychiatry. She also belongs to the American Association of Community Psychiatrists.

Dr. McMasters currently provides evaluation and treatment to the majority of the county's publically-funded and unfunded adult and some child and adolescent patients at Greater Elgin Family Care Center in McHenry, IL. In addition, she is a Medical Staff Member with Centegra Health System.
