GENERAL INFORMATION

Request for Qualifications

Definition: Request for Qualifications (RFQ) is a method of procurement permitting discussions with responsible Professionals and revisions to Qualifications prior to negotiation of a contract. Qualifications will be opened and evaluated in private. Selection will be based on the criteria set forth herein.

Receipt and Handling of Qualifications: Qualifications shall be opened in private by the Evaluation Committee to avoid disclosure of contents to competing Professionals.

Evaluation of Submittal: The Qualifications submitted by Professionals shall be evaluated solely in accordance with the criteria set forth in the RFQ.

Evaluation: Evaluation of Qualifications will be done by the County staff. Qualifications will be evaluated on experience in doing projects of a similar nature and adherence to specifications. These criteria are to be utilized in the evaluation of qualifications for development of the short list of Professionals to be considered for interviews and/or potential negotiations. Individual criteria may in all probability be assigned varying weights at the County's discretion to reflect relative importance. Professionals are required to address each evaluation criteria in the order listed and to be specific in presenting their qualifications.

1. Experience/qualifications of Professional: Professional's abilities and specific experience; proposed staff and specific staff experience; years in business experience with contracts for services similar in scope. (This includes resumes of all staff to be assigned to County projects).
2. Proposed methodology to complete the services.
3. Capabilities features of the proposed services and the degree to which the services meet the needs of the County.
4. References of only similar contracts. The Professional must have a demonstrated history of professional, reliable and dependable service to governmental entities.
5. Demonstrated quality assurance procedures and schedule to ensure a timely, effective and professional provision of services.

Discussion of Submittal: The Evaluation Committee may conduct discussions with one or more Professionals with whom the County has a previous satisfactory relationship and/or those Professionals who submit acceptable or potentially acceptable Qualifications. Such Professionals shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of Qualifications. During the course of such discussions, the Evaluation Committee shall not disclose any information derived from one submittal to any other Professional. In the event that the County does not have a satisfactory relationship for services with one or more Professionals, the County shall evaluate the Professionals submitting Qualifications, taking into account qualifications, ability of professional personnel, past record and experience, performance data on file, willingness to meet time requirements, location, workload of the Professional, and such other qualification-based factors as the County may determine in writing are applicable. The County may conduct discussions with and require public presentations by Professionals deemed to be the most qualified regarding their qualifications, approach to the project, and ability to furnish the required services.

On the basis of the evaluations, discussions and presentations, the County shall, unless it has a satisfactory relationship for services with one or more Professionals, select no fewer than three Professionals which it determines

to be the most qualified to provide services regarding the specific project. The County shall then contact the Professional ranked most preferred and attempt to negotiate a contract at a fair and reasonable compensation, taking into account the estimated value, scope, complexity, and professional nature of the services to be rendered. If fewer than three Professionals submit Qualifications and the County determines that one or both of those Professionals are so qualified, the County may proceed to negotiate a contract as set forth herein.

Selection Procedure: Selection shall be made of the Professional deemed to be fully qualified and best suited among those submitting Qualifications, on the basis of the factors involved in the RFQ.

Selection: It is the intent of the County of McHenry to select the Professional whose Qualifications meet or exceed the requirements as outlined herein. Information and/or factors gathered during interviews, negotiations and any reference checks, in addition to the evaluation criteria stated in the RFQ, and other information or factors deemed relevant by the County, shall be used in the final award decision.

Negotiations:

The County shall prepare a written description of the scope of the proposed services to be used as a basis for negotiations and shall negotiate a contract with the highest qualified Professional at compensation that the County determines in writing to be fair and reasonable. In making this decision the County shall take into account the estimated value, scope, complexity and professional nature of the services to be rendered.

If the County is unable to negotiate a satisfactory contract with the Professional which is most preferred, negotiations with that Professional shall be terminated. The County shall then begin negotiations with the firm which is next preferred. If the County is unable to negotiate a satisfactory contract with that Professional, negotiations with that Professional shall be terminated. The County shall then begin negotiations with the Professional which is next preferred.

If the County is unable to negotiate a satisfactory contract with any of the selected Professionals, the County shall re-evaluate the architectural, engineering or land surveying services requested, including the estimated value, scope, complexity, and fee requirements. The County shall then compile a second list of no fewer than three qualified Professionals and proceed in accordance with the foregoing procedures.

Notice of Unacceptable Submittal: When the Evaluation Committee determines a Professional's Qualification to be unacceptable, such Professional shall not be afforded an additional opportunity to supplement its Qualification.

Authority: This Request for Qualifications is issued pursuant to applicable provisions of the **McHenry County Purchasing Ordinance**, approved August 1, 2014 and the Local Government Professional Services Selection Act, 50 ILCS 510/1, et seq. If you desire a copy of the **McHenry County Purchasing Ordinance**, please visit the website at www.co.mchenry.il.us (listed under BIDS/RFP Heading)

Reserved Rights: The County of McHenry reserves the right at any time and for any reason to cancel this Request for Qualifications, to reject any or all Qualifications, or to accept an alternate Qualification. The County reserves the right to waive any immaterial defect in any Qualification. ***Unless otherwise specified by the Professional, the County has no fewer than ninety (90) days to make a selection.*** The County may seek clarification from a Professional at any time and failure to respond promptly is cause for rejection.

Incurred Costs: The County of McHenry will not be liable in any way for any costs incurred by respondents in replying to this RFQ.

Selection: Selection shall be made by the McHenry County Board to the responsive, responsible Professional whose Qualification is determined to be the most advantageous to the County, taking into account the evaluation criteria set forth herein.

ADDENDUM: Should the Professional require any additional information about this RFQ, please fax to Purchasing (815-334-4680) any questions by the deadline as outlined in the schedule of events. ANY AND ALL changes to these specifications are valid only if they are included by Written Addendum to All Professionals. NO interpretation of the meaning of the plans, specifications, or other contract documents will be made orally. If required, all addenda will be faxed to Professional if a Notice of Intent to Submit Qualifications has been completed and faxed to the Purchasing Office. In addition, all addenda are posted on the County of McHenry's website. Failure of the Professional to receive any such addendum or interpretation shall not relieve the Professional from obligations under this RFQ as submitted.

All addenda so issued shall become part of the Qualification. Failure to request an interpretation constitutes a waiver to a later claim that ambiguities or misunderstandings caused a Professional to improperly submit Qualification.

Rejection Of Qualifications/RFQ's, Waiver Of Irregularities: McHenry County reserves the right to reject any or all Qualifications, to waive irregularities, and to accept that Qualification which is considered to be in the best interest of the County. Any such decision shall be considered final.

Compliance With Laws

The bidder hereto covenants and agrees to comply with all applicable federal, state, and local laws, codes, ordinances, rules and regulations. Failure to comply with the terms of this provision shall constitute a breach of contract and permit the County to terminate this (Request for Sealed Proposal/Bid) in accordance with the termination provisions stated herein.
