Re: Bid process update - Renewal of Franchised Solid Waste Removal Services in Your Area

The current contract with your municipal solid waste hauler, Lakes Disposal Services, will expire on April 30, 2018. We have completed the competitive bid process for the renewal of the franchised solid waste removal program in your area, and a summary of the program components and associated costs is included on the reverse side for your reference. Please note that the core program components will remain unchanged, and the proposed costs are less than the current quarterly costs. Lakes Disposal Services is the apparent responsible low bidder.

Implementation of the program renewal does require the approval of an Ordinance by the McHenry County Board. Department staff anticipates the proposal will be reviewed by the Planning, Environment & Development Committee at its February 6, 2018 meeting and placed on thirty (30) day public review at the McHenry County Board's February 20, 2018 meeting. A County Board vote on the proposal is anticipated in March. These are public meetings and you are welcome to attend.

Your feedback and any comments that you may have regarding the proposed program renewal would be appreciated. Your comments will be shared with the McHenry County Board. Please direct your comments or questions to me:

The Department will inform you of the program renewal status and program implementation details after the decision has been made by the McHenry County Board. Should you have any questions or wish to discuss this further, please do not hesitate to contact me at (815) 334-4585.

COST PROPOSAL
APPARENT RESPONSIBLE LOW BIDDER: LAKES DISPOSAL SERVICES

After completion of the competitive bid process, Lakes Disposal Services is the apparent responsible low bidder to provide the solid waste removal services for the next contract period.

*** No senior discount is included in the price structure.

Program Components:

1. Applies to residential properties only.
2. Costs are established for a four year cycle.
3. Participating property owners will be billed quarterly, directly by the contractor.
4. Covered, wheeled refuse toters will be offered in three sizes (approximately 35, 65 and 95 gallons). The cost varies based upon the size of the container.
5. A By-the-Bag option is available. Residents choosing this option will purchase stickers from the contractor to place on standard sized garbage bags and will be billed quarterly for the core program solid waste removal services.
6. A 95 gallon covered, wheeled recycling toter will be provided for weekly pick-up of recyclables.
7. 1 bulk item may be placed at the curb weekly at each residence for pick-up. These include sofas, tables, mattresses, box springs, etc. White goods and electronics are not included and would require a separate cost.
8. Unlimited curbside pick-up of containerized landscape waste from the first full week of April to the second full week in December. Containers must be no larger than 35 gallons and weigh no more than 50 pounds each. Bundled brush shall not exceed 4 feet in length and weigh no more than 50 pounds each.
9. Three (3) loose leaf curbside collections annually - one (1) each during the Spring, October and November.
10. Christmas tree collection on the two consecutive regular pick-up weeks after Christmas.
