#### COMPUTER BASICS

Wednesday, August 22, 8:30am - 12:30pm

Computer Basics is a course for those who have little or no experience with computers. The course is designed to give learners both information about how computers operate, as well as hands-on experience using basic computer applications. Topics covered include: Understanding Computer Hardware & Software, What is the Network and How to Login, Using Windows, Creating Folders and Storing Files, Shutting Down and Virus Protection, and Basic Word Processing Skills.

Seating is limited. You must reserve your space by calling (815) 338-7100 ext. 2771 or email [workforcecenterRR@yahoo.com](mailto:workforcecenterRR@yahoo.com)

### Career Workshops and Services

- Available to all Job Seekers, FREE of charge
- Seminars are NOT considered "training" by IDES.

### Seating is Limited for all Workshops and Services!

To reserve your space call (815) 338-7100 ext. 2771 or email [workforcecenterRR@yahoo.com](mailto:workforcecenterRR@yahoo.com)

#### Resumes, Cover Letters and Applying On-line

Thursday, August 9, 10am -12pm

This presentation will cover building the elements of your resume. Cover letters are optional or are they? We will explore versions to include with a resume. Discover many of the do's and don'ts for applying online to a company website.

#### Getting Started with Linked In

Thursday, August 9, 1 -3pm

This program takes an individual through the initial signup, account verification and then adding their basic work information to populate their profile. Topics include learning the many elements of your profile, populating your work experience history and understanding why a profile is more than just a resume. Learn the different elements available on LinkedIn and where to focus your attention. In order to create a LinkedIn profile, **you will need to verify your email address** so be sure to know your email password. Please bring a printed copy of your resume or have it on a flash drive.

#### LinkedIn Basics and Best Practices

Thursday, August 23, 10am - 12pm

Expand your knowledge of LinkedIn with this overview of LinkedIn usage and the best practices to incorporate on a regular basis. Learn how to successfully build your network of connections and the filtering that LinkedIn features with their search tool. Discover how to search for relevant LinkedIn Groups, Companies, and people. We will delve into creating a job search agent on LinkedIn and explore job applications on LinkedIn.

#### Tips for a Winning Interview

Thursday, August 23, 1 - 3pm

Preparation is a key element to acing an interview. This presentation covers an in depth overview of the interview process. Realize the interview process begins with self awareness and knowing about the company, which includes researching the company and individuals. We will cover the best approaches from the initial phone screen to the face to face meeting with the hiring manager. Attendees will hear great answers to several basic questions, including the dreaded "Tell Me about Yourself".

Seating is limited to 8 so reserve your space today by calling 815-338-7100 ext. 2771 or email [workforcecenterRR@yahoo.com](mailto:workforcecenterRR@yahoo.com)
