Create a New Password in Odyssey File & Serve

Create a new password

If you forget your password, you need to create a new one. After several failed attempts to sign in to the system, your account is locked. You will need to create a new password.

➔ Tell Odyssey File & Serve you forgot your password

1. At the login screen, click **Forgot Password?**

The screenshot shows a login form with the following elements: a message "Please sign in to continue" with a warning icon, an "Email" input field, a "Password" input field, a "Sign In" button, and a "Forgot Password?" link. The "Forgot Password?" link is highlighted with a red box.

2. Enter the email address you used when you registered for your Odyssey File & Serve account.

Please enter the email address associated with your account.

The screenshot shows an "Email Address" input field and a "Next" button. Both the input field and the button are highlighted with red boxes.

3. Click **Next**.

4. Check the box next to **I'm not a robot**.

The screenshot shows an "Email Address" input field, a checkbox labeled "I'm not a robot", a reCAPTCHA logo, and a "Reset Password" button. The checkbox and the "Reset Password" button are highlighted with red boxes.

5. Click **Reset Password**.

6. The following message will pop up. Check your email to find the link to reset your password.

A password reset link has been sent to the email address associated with your account. If you do not see the password reset email in your Inbox, please check to see if it was delivered to your spam folder.

7. This is what the email will look like. Click **click here**.

Password Reset Request

A request to reset your password has been processed. If you did not request a password reset, take no action. Your account will be left unaltered.
