Mary E. McClellan
County Clerk

Letter from the County Clerk

Office of the
McHenry County Clerk

One of the most memorable experiences I have had in my life was the day I was sworn in as County Clerk. I have been involved in public service for a number of years, first as a member of McHenry County State's Attorney office and then as an Assistant Cook County State's Attorney. I was also on the McHenry County Board. I have always found it rewarding to serve the entire county by providing friendly and helpful service to the citizens of McHenry County.

It is a rare thing in politics to be proven right. During my election, I ran on the promise that I would update the County Clerk's office without increasing the budget of this office. I have improved all aspects of the office with new software in the election department and in the delinquent tax department and all vital records. By purchasing new software, tax payers have saved thousands of dollars on expenses.

I appreciate being your County Clerk, because it's my job to make the process easier for the community.

A handwritten signature in black ink that reads "Mary E. McClellan".

Mary E. McClellan

McHenry County to Roll Out New Voting Equipment

In order to ensure accuracy and security combined with the latest technology, the McHenry County Clerk's Office will be introducing new voting equipment for the November 6 General Election. This new equipment will reduce voting time, enhance the voting experience and provide voting access for those who request it.

The equipment uses a Touch Screen and /or assistive technology to record voters choices. The system prevents over-votes and can alert voters about under-votes.

A "Mock Election" was held last summer to test the equipment before the election to allow staff members of the County Clerk's office and Election Judges to become more familiar with the process.
