Job Title: Inspector

Job Description:

Smalley Steel Ring Company is the market leader in the industrial retaining ring and wave/compression spring manufacturing business. We have been manufacturing and supplying the aerospace, automotive and other industrial markets for over 50 years. We take pride in everything about our business, including the quality of our innovative products, our focus on continuous improvement, and our standard of excellence that guides the service that we provide to our loyal customers.

Smalley is currently hiring an Inspector to work within our Inspection Department. The Inspector is responsible for inspecting products following company/industry standards, utilizing different measuring tools as well as performing/checking calibration of inspection instruments. The Inspector will also be required to complete all required paperwork associated with the order neatly and accurately.
