

Homeland Security Starts with Hometown Security

Security starts **here.**

connect

plan

train

report

1

connect

to establish **relationships**

Visit dhs.gov/hometownsecurity to learn more about Federal resources like the DHS Protective Security Advisor program

Get to know local law enforcement, fire, and EMS

2

plan

to keep your employees & customers **safe**

Stay aware of potential threats and hazards to your business, including your computer systems

Visit ready.gov/business to develop plans to ensure safety, security, and business continuity

3

train

your staff to deal with potential threats

- Teach employees to identify and report suspicious activity
- Visit ready.gov/business to learn how to train and exercise staff to follow your security plan in case of emergency

4

report

if you see something suspicious

- Post details of what to watch for and how to report it
- Join the "If You See Something, Say Something™" campaign at dhs.gov/see-something-say-something
