

Position: Traveling Field Calibration Technician

Employment Type: Full Time Position

Rate: TBD (Based on Experience)

Start Date: Immediately

American Calibration, Inc. is looking to hire a traveling field calibration technician. This is a full time position Monday – Friday, requires minimum 45 hours per week, and requires 90—100% out-of-state travel.

Job Description:

- Traveling to various states to perform calibrations on-site at customer facilities
- Perform calibrations according to our Standard Operating Procedures (SOP's) or per the customer's directive
- Evaluate and repair customer gages, if necessary
- Create work orders, collect purchase orders, and generate calibration certificates

Duties include but are not limited to Calibration of the following measuring devices:

- Dimensional
- Mechanical
- Thermodynamic
- Electronic
- Chemical
- Willing and able to travel by plane

Position Requirements:

- High School Diploma
- Effective time management/prioritization
- High School Diploma
- Valid Driver's License
- Experience in the calibration industry
- Must pass a pre-employment drug test
- Willing to travel 90—100% of the time
- Positive attitude and excellent written and verbal communication skills

Benefits:

- Simple Plan IRA (eligible after 90 days of employment)
- Medical, Dental, & Vision Insurance (eligible after 90 days of employment)
- Vacation days and sick time (eligible after one year of employment)
- Paid holidays (eligible after 30 days of employment)
- Use of company vehicle
- Use of company laptop
- Personal Protection Equipment (PPE) and Tools provided

All interested applicants please submit your resume to accounting@americancalibration.com.
