ADDENDUM #1

Bid #19-33 Bottled Water Services
Due September 27, 2019 no later than 2:00PM (CST)

Additions & Clarifications to BID

Question #1: Can you give me an idea of how many jugs go to each location on a monthly or biweekly schedule?

Response: Approximately 2-3 jugs to each location, bi-weekly.

Question #1: Is it also possible to drop ship a pallet of water (48 jugs) to any of these locations? Do we just drop off a pallet of what the whole building needs and they get distributed by someone at the building to the different offices?

Response: The vendor is responsible for hand-delivering bottles to every office location.
