Response: Per unit price

Question #2: **Do you have annual utilization totals for X-Ray, Dopplers, Ultrasound, Swallowing Studies?**

Response: Facility does not have that information readily available as facility is only billed for Medicare Part A related services. Response: See answer above

Question #4: **What % of exams are Part A billed to the facility and what % are Medicare/Medicaid that the x-ray company would bill to the patient's insurance?**

Response: The exact number is unknown, however the facility case mix is approximately 65% Medicaid / Managed Care, 15% Medicare or like Med A, and 20% private pay.

Question #5: **When is the anticipated Start date?**

Response: Contract start can be mutually agreed upon by both parties, but no sooner than 1-1-2020
