

November 25, 2019

Dear Epilepsy Foundation Client:

Due to a loss of State funding, the Epilepsy Foundation of North Central Illinois will be closing all offices, including the McHenry County office, as of November 30, 2019. We apologize for the inconvenience. Your medical records will be retained by Dr. Marvin Rossi of Rush University Medical Center who provided clinical services and medical direction for the Foundation and its patients. To obtain a copy of your medical records or continue your care with Dr. Rossi, please call Rush at 312 942-5939 or visit its offices at 1725 W. Harrison, Suite 885, Chicago, IL 60612. Your records are confidential so be sure to bring identification if you want a copy of your records.

The Foundation's McHenry County office will refill current prescriptions by phone at 815 893-0709 until November 30, 2019. After that you will need to find a new provider. Listed below are a few alternatives for continued brain injury and epilepsy care. For all emergencies, please call 911 or visit your local Emergency Department.

- Rush University Medical Center – Marvin Rossi, MD., PhD. (Chicago) – 312-942-5936
- Northwestern Medicine Neuro- Rehabilitation (local) – 815-455-1800
- Independence Health & Therapy (local) – Ask for Maria Morrill at 815-338-1707
- St. Alexius Medical Center (Hoffman Estates) 847 843-2000
- McHenry County Crisis Line (Behavioral Health Crisis – local) – 800 892-8900
- McHenry County Mental Health Board (local) Behavioral Health Service Directory (www.mc708.org) – 815-455-2828

For an extensive inventory of McHenry County Health and Human service resources, please visit the People in Need Website at www.mchenry.edu/peopleinneed.

We are glad we had the opportunity to serve you, disappointed we lost the state funding. and sorry for any inconvenience our closing causes you. We wish you well.

Sincerely,

Epilepsy Foundation Board of Directors
