

Diabetes Prevention Program

Proven Lifestyle Change Program

Centers For Disease Control McHenry County Department of Health

This program is offered at **NO COST** and runs for **1 year** with a total of **22 classes**. Participants will be guided by trained coaches who will encourage them to lose **5% to 7%** of their body weight by increasing physical activity and making healthy lifestyle changes. During the Overview Session participants will learn about prerequisites and expectations for attending classes.

Participants must attend one of the following overview sessions in order to register for the class.

Overview Sessions will be held at 620 Dakota Street Crystal Lake (front building NAMI offices) from 6:00pm-7:00pm

Register for one of the below overview dates:

[Tuesday July 7th](#)

[Thursday July 9th](#)

[Tuesday July 14](#)

[Thursday July 16](#)

Call - Carol Waggoner, RN at 815-334-4580
