WHAT WE DO: Court Appointed Special Advocate (CASA) trains volunteers to advocate in court for abused and neglected children. The Advocate is appointed by the court to be paired with the child during the child's court case. From the time of appointment until the child's case is closed the Advocate meets with the child twice a month, learns about the child's current environment, including the Foster Care or Group Home they are placed in, meets with any therapists, teachers, doctors, natural family members and any other persons the child interacts. The Advocate writes an objective report for the Judge, Caseworker and Attorneys so the child's perspective is heard. The Advocate has a one to one relationship with the child throughout the case.

WHAT WE DO: Last Chance House is a sober-living facility in Crystal Lake that governs itself using the principles taught in Alcoholics Anonymous (AA). Although Last Chance House hosts AA meetings, and uses the principles that are taught by the program of recovery in AA, it is not affiliated with AA. It does not accept insurance or government-funding. It is self-supporting through donations and grants from individuals, community organizations and corporations. Last Chance House may or may not meet one of the many common definitions of a halfway house, but it resembles one in many ways. For more than 12 years, Last Chance House has provided a proven recovery method and a safe, structured environment to carry it out. Last Chance House is unwavering and true to its founding belief that a strong, long-lasting program of recovery begins when one alcoholic helps another alcoholic.

WHO WE SERVE:

Alcoholic men with a desire for permanent sobriety.

NOTE:							

WHAT WE DO: McRide is a dial-a-ride service providing curb-to-curb, wheelchair-accessible transportation to eligible riders in the service area. Dial-a-ride is a shared-ride program, meaning that multiple riders' trips may be grouped together in an effort to meet all trip requests and improve efficiency. Travel must be scheduled in advance by making a reservation with the Call Center (1-800-451-4599). Members of the general public (all riders) can reserve their trips up to 24 hours in advance of travel. Seniors (60+) and individuals with disabilities can reserve their trips up to seven days in advance of travel. This program is funded by Pace Suburban Bus, McHenry County, a Federal Section 5310 Transit Grant, partner municipalities and townships, and rider fares.

WHO WE SERVE: All public transit users. There are no limitations based on trip purpose.

ELIGIBILITY REQUIREMENTS: Riders may travel to and from locations in the service area for which they are eligible. Eligibility is determined by the trip origin, trip destination, rider's age and/or whether the rider has a disability. Please visit our website to view the service area map and brochure; call the McHenry County Division of Transportation with any eligibility questions.

OTHER LANGUAGES OFFERED/INTERPRETER AVAILABILITY: Spanish interpreters are available upon request at the Call Center (1-800-451-4599). The McRide brochure is available in Spanish on the Division of Transportation's website.

FEES/INSURANCE: Rider fares are paid in cash upon boarding the vehicle. Fares are based on the trip distance and rider's eligibility status (senior, disabled, general public).

AVAILABILITY: Service Hours are Monday-Friday 6:00 AM - 7:00 PM, Saturday-Sunday 9:00 AM - 5:00 PM. There is no service on major holidays.

Reservation Hours are Monday-Friday 5:30 AM - 6:00 PM and Saturday-Sunday 8:30 AM - 4:00 PM.

EARLY CHILDHOOD

McHenry County Department of Health: High Risk Infant Follow-up (HRIF)

Assistance in obtaining health and human services which promote healthy growth and development will be provided to high-risk families as mandated in the Illinois Family Case Management Act through High Risk Infant Follow-Up. Infants and children (ages 0 - 2 years old) are referred to the high-risk infant follow up program with goal to:

- Minimize disability in high-risk infants by early identification of possible conditions requiring further evaluation, diagnosis, and treatment
- Promote optimal growth and development of infants
- Teach family care of the high-risk infant
- Decrease stress and potential for abuse.
