

1. Go to www.illinoisworknet.com

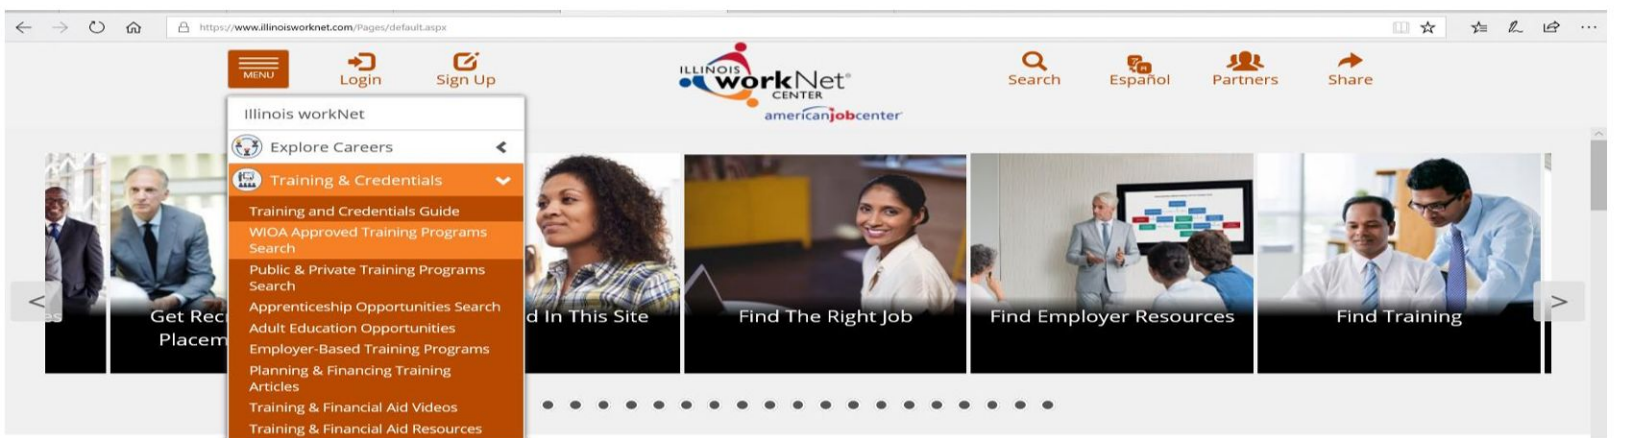

2. Click on the Menu button

3. Click on "Training & Credentials"

4. Click on "WIOA Approved Training Programs Search"

5. Your screen will look like this.

- a. You can search by training programs, - what you're interested in
- b. You can search by training providers – meaning the school / institution
- c. You can search by demand occupations – type the SOC code into the box that is listed next to the occupation on the two-sided high demand occupation list

*** Be sure to filter programs / training providers by zip code, it will show all approved throughout the state of IL

Illinois workNet Centers throughout Illinois provide WIOA services to individuals who wish to apply for available training programs, or obtain other services. To apply for Workforce Innovation and Opportunity Act (WIOA) Services you will need to contact an Illinois workNet Center. To find a location, search your city or ZIP code on the map [here](#).
